

The staff of Fellowship Day School believes that each child is profoundly unique and loved by God. We offer our preschool and Kindergarten as a ministry of Fellowship Presbyterian Church to the greater community. The Day School is an inclusive ministry without regard for religious belief, gender, class, race, or national origin.

We serve and teach children with love and patience, reflecting and sharing Christian values. It is our goal for "Fellowship children" to grow to be responsible individuals and caring and considerate friends.

We encourage creativity and imagination through music, art, language and play. We will help your child to transition socially and academically, with the hope of creating in them a sense of independence, self-direction and a life-long interest in learning.

Join us and become a part of the community of Fellowship!
